## Ken's Pen

dePresident, WM2C

### 1995 California QSO Party Results

The worldwide participation in the CQP again signaled the start of the fall contest season! While log submissions dropped a bit from last years record high, log submissions did tie the old 2nd place record with 413 logs received. The upward trend in activity is unmistakable, for top entries from California increased their QSO totals by over 10 percent. According to Ken, K6PU, who did a great job on getting the results out in super time, says that with the increased activity, we will need to start thinking about streamlining the log review process so we can accommodate the additional logs that are sure to show up when conditions improve in the next few years.

After reviewing the logs, it would be fair to say that the decline from last years record high in log submissions was directly proportional to propagation. While conditions held up throughout the

USA, DX conditions just weren't there. DX log submissions were down 16 from last year, which accounted for 30% of the difference between total logs received in 1994 and 1995. And the lack of conditions on 10m had its impact, for there were no Novice/Technician entries from inside or out of California. But just wait till 1996 when conditions should be on the upswing!

But poor conditions didn't influence participants excitement and commitment to the contest! All 58 of the states and provinces were out in force this year, with 26 California logs showing clean sweeps. We Californians sure appreciate the efforts made outside of the Golden State! A big thanks to Bob, N6TV, who organized all 58 California counties to be on the air - though it seems that a bit of arm twisting had to be exerted, since the number of county expeditions went up from last year. All this activity sure showed up in the logs, for 12 new records went in the history books, 5 from California, 6 from the lower 48, and 1 DX record was also set. Great efforts by everyone!

Ken, AB6FO, repeated his top S/O honors this year. Close examination of the results will show that W1FEA/6 and W6REC had more QSOs than Ken, but Ken's CW QSOs locked in the number one slot. Top CA M/S honors again go to the gang at W6EEN, though they had fierce competition this year from the group at WB6IRC. I'd say there's gonna be another shoot'in match next year since the scores were very close, and M/S submissions increased by 40 percent over last year. Top CA M/M honors go to the group at KM6OH, who had a huge improvement over their last years effort - could it be that their M/M county expedition to Mono county was the difference?

AA6KX again took top S/O expedition, and took 7th overall in CA - what a great effort Bruce! The Shasta DX & Contest Club again took top club honors. W6UQF again repeated his S/O low power win. These guys sure are serious about the CQP, for they held a dynasty in the most prestigious categories. They are definitely the ones to beat in 1996

Top S/O non-CA honors go to NB1B, who also broke his old Massachusetts record along the way. Top non-CA M/S honors go to the group at KB9CEQ, and there were no non-CA M/M entries. AA8AV again repeated his top non-CA S/O low power win - what a fine effort!

This year some of the new CA records weren't just broken, they were smashed! WA6FGV from Tulare County came in with 156K vs. the old record of 89K. And AA6KX's county expedition to the Trinity/Shasta line nearly doubled the old Trinity record. KI4HN and N2AA increased their state records by 50%. This goes to show you that with a decent effort (even at the bottom of the cycle), your place in the CQP history books is still there for the taking.

The NCCC awards committee is busy getting ready for the awards banquet in March (be sure to make your reservation for the awards banquet - information can be found in this issue). If you miss the awards banquet but will be going to Visalia, please try and pick up your awards there and help us save on our postage expenses. Fm Ken WM2C

### NCCC Elections

While I don't think that anyone will run for NCCC office based on a campaign of a flat QSO rate... (Maybe I should stick to operating rather than jokes) it IS time again to hold the NCCC elections for new officers at the April meeting. All positions, (president, vice-president/contest chairmen, secretary/treasurer, and 3 directors) will be up for nomination to serve from 4/96 to 4/97. While nominations from the floor during the meeting are most welcome, I urge you to consider sending me suggestions, or volunteering yourself, for NCCC positions so we can make sure we have a full slate of candidates.

The Board has appointed WM2C, N6TV and AE6Y as the nominating committee. Please contact one of these people if you would be willing to serve as a club officer next year. Fm Ken WM2C

## Next Meeting - Feb. 23 - in Redwood City

Flash! The February meeting date was pushed to the 4th Friday of the month - not our usual 3rd Friday - since the ARRL DX CW contest falls on the 3rd Friday.

While it's taken a while, we've found a nice meeting place in the North Peninsula that is well suited for NCCC meetings. It is located at the Red Morton Park Community Activities Building at 1400 Roosevelt Avenue in Redwood City, where there is plenty of parking. The room is reserved from 6:30 till 9:30. Pizza from W6OAT's nearby Give Pizza Chance will be served piping hot at 6:30, and the meeting will begin at 7:30. WM2C will give a slide show presentation on the 4M5X M/S contest expedition during the 1995 CQ WW CW.

From 101: head west toward the hills on Woodside road, go 1.3 miles and turn right onto Hudson Street, then go 0.5 miles on Hudson and turn left onto Roosevelt Avenue. Go 0.3 miles to 1400 Roosevelt and the Community Activities Bldg. will be on the right hand side of the street.

From I-280: go east toward the Bay. after 2.5 miles, make a left turn onto Hudson. Go 0.5 miles on Hudson and turn left onto Roosevelt Avenue. Go 0.3 miles to 1400 Roosevelt and the Community Activities Bldg. will be on the right hand side of the street. *Fm Ken WM2C*

### TO WHOM IT MAY CONCERN

The "AA6KX Chuckle" printed in the January JUG was not intended for publication in the JUG. The article showed up in the NCCC BOD reflector and was mistaken by the editor, as a JUG article. AA6KX did not submit this for publication. This editor takes responsibility and apologizes for any misunderstanding. Editor

## JOHNS JOTTINGS

### CQP RESULTS

The CQP results are in! Much of this month's JUG is given to the scores, so this column is necessarily short. So, enjoy the CQP scores instead!

Sincere thanks again go to Ken Anderson, K6PU, for crunching all the logs. Ken's task this year was complicated by the handling of 60+ e-mail logs. Ken, however, managed to cope with all the changes without even breaking a sweat. Great work, Ken; we all appreciate it!

The JUG is the journal of the NCCC, published monthly. Copies are mailed to members whose dues are up to date. Send material for publication before last Monday of each month.

### FIVE-MEG AWARDS COMING IN MARCH

With contest season winding down, it's time to prepare for the Awards Banquet next month. One of the most popular awards is the 5-Meg award administered by Al Maenchen, AD6E.

Are your totals up to date? If you've been sending me your summary sheets-- whether by packet, e-mail, or snail-mail -- then you're in good shape. However, line scores, even though they've been published in the JUG, are not credited towards 5-Meg awards. Your 5-Meg total should include only contests that you've actually entered by sending in a log to the sponsoring magazine or organization. So, if you have any scores you want credited to your 5-Meg total, and you've sent me only a line score, then get your summary sheets to Al or me ASAP!

### SEND ME YOUR SCORES!

I will take your scores for publication in the JUG. If they're in summary-sheet form, I will also pass them along to Al/AD6E for 5-Meg credit. Send them by packet, telephone, e-mail, or even snail-mail to...

## WRTC Teams and Judges

Here is the latest list I have of teams and judges. A few of the "invited countries" failed to select teams within the time allowed, so those slots now have been converted to wild card teams. There will be enough wild card teams to bring the total number of teams competing to 52. Wild card team leaders are to be announced on February 15, and they have until March 1 to select their partners.

# HAM RADIO OUTLET

WORLDWIDE DISTRIBUTION

**IC-775DSP**

**IC-706**

**FT-1000MP**

**TS-850S**

HF Transceiver

HF Transceiver

**NEW!**

**IF-DSP!**

**200 W  
Stable  
Output Power**

**NOW IN  
STOCK!**

**Only Radio  
Of Its Kind  
In The World**

**TS-870S**

HF Transceiver

- DSP in I.F. Stage
- Dual mode noise reduction
- Digital Filtering (no opt. filters req.)
- 100W, 12V DC
- Built-in RS232, Windows software incl.

- Enhanced Digital Signal Processing
- Dual RX
- Collins SSB filter built-in
- 100W, Power supply built-in

**Advanced Technology Performance**  
108 db Dynamic Range, Optional DSP
